

The Salon Professional Academy establishes a criterion regarding the transfer of credit hours earned from another school as listed below:

- All accepted transfer hours will be credited at the beginning of the program.
- A possibility exists that no transfer credit will be granted.
- A student transferring from another franchise location of Salon Professional Education Company will be placed into an existing class based on the level of completion recorded on her or his transcript.
- Courses with an 85% or higher grade will be eligible for transfer hour's credit with a maximum of 100% of the student's completed hours allowable for transfer in general education chapters.
- Tuition balances do not transfer from one school to another.
- A student wishing to transfer may be accepted to an educational course / program after carefully evaluating the student's academic records.
- Each transfer is evaluated on an individual basis.
- Students will be required to complete theory and practical training that are unique to our franchise system. The Cosmetology specific classes include: Principal Based Design and Finishing, Brand Specific Hair Color, Business Building Skills, Product knowledge and Models for a total of 200 hours. Esthetics and Nail Technology specific classes and models include: Business Building Skills for a total of 40 hours. Subjects of similar nature will not transfer from other schools.
- For the remaining hours to full graduation requirements, the Cosmetology transfer students will pay \$13.50 per hour; Esthetics transfer students will pay \$14.50 per hour, and Nail Technology transfer students will pay \$13.00 per hour.
- Transfer students will be subject to over contract fees, if applicable.
- Transfer hours will not be accepted toward the Educator Training program.

The Salon Professional Academy does not have an established Articulation Agreement with any other schools.
